Give Street Children a Future with the Street Kids Project

On the streets of Nairobi, children are growing up without a roof over their heads, without regular meals, and without a future. The Street Kids Project is changing that.

Founded by the Rotary Club Neuchâtel Lac together with Rotaract Clubs from District 1990, and supported by our past, current and incoming Governors, this initiative has already enabled 8 children in Nairobi to leave life on the streets and regain a future through education, shelter, meals, and the daily care of our Rotaract Eco-Warrior friends in Nairobi.

Today, they need **YOU**.

This incredible Rotary project stands out because of the strong bonds of friendship and near-family ties we have built with our Rotaract Eco-Warriors friends in Nairobi. Every day, they care for the children, offering them support, love, and guidance to ensure their well-being and future.

With just CHF/€ 200 per month, you can give a child a new life—a safe home, daily meals, full education, and personalized support for their future. Every donation, big or small, makes a difference.

Why Donate?

- ✓ A Strong Rotary Project – Founded by RC Neuchâtel Lac, backed by District 1990, and led by a dedicated team on the ground.
- ✓ Immediate Impact – Every CHF/€ goes directly to the children.
- ✓ A Future for These Children – Education, training, and independence.
- ✓ Clear Follow-Up – Regular updates to see the impact of your generosity.
