## **Palladio&Friends the anniversary tour itinerary**

### *8 days programme*

On the occasion of the five hundredth anniversary of Andrea Palladio's birth a group of Rotarians from Vicenza would like to offer the members of Rotary International the opportunity to visit the Palladian sites in an exclusive way. You will have the chance to discover all the major sights of the Veneto region, including Venice, while enjoying the comfort of private transport. You will visit palaces, villas and monuments guided by experts. Where possible, you will be welcomed by the householders. You will often lunch and dine in a villa that, even if not designed by Palladio, is worth visiting. A tour leader will escort you all the time and be at your complete disposal. The Anniversary Tour Itinerary will last eight days. Shorter itineraries may be planned on request by contacting the travel consultant in charge of the organization. This programme might undergo some small changes, owing to circumstances beyond our control.
